

## Carolina Beach Cruise September 9-11

The SSBC has confirmed dock availability at Carolina Beach  
and the  
Federal Point Yacht Club Marina  
September 9-11.

The destination to Carolina Beach replaces the potential cruise to Little River, where marinas were unable to confirm availability.

If you're interest in this "mini-cruise," please contact Nick Lawler ([nalawler@comcast.net](mailto:nalawler@comcast.net)) with boat name, length, depth, beam, and power requirements.

At this time, Federal Point can confirm 5 dock spaces, but says they are fairly certain they will be able to accommodate 10 SSBC cruisers. There are nearby moorings too.

Federal Point charges \$2.50 a foot per night, and \$10 p/n for 30amp and \$15 p/n for 50amp. The Yacht Club has a pool, and there are nearby restaurants and hotels.

**Hope to see you there!!**
