

### SSBC Ladies Only Ghouls' Bunco Night - October 26, 2023

Thursday evening found a “coven of witches” gathering to have a good time at the first-ever SSBC Ladies Only Ghouls' Bunco Night. Members and their guests were told that costumes were optional, but mostly everyone dressed up for this fun event. Along with the prizes awarded for winning at Bunco, there were prizes for costumes as well.

About 55 women signed up for the event. They arrived at the Community Center all dressed up to play 3 rounds of Bunco, while enjoying light refreshments and snacks. During the evening, everyone changes tables and partners often as the games are played. It is a great way to meet other SSBC members and new people while having fun. If you can roll 3 dice with one hand and hold a drink in the other, ***you can play BUNCO!***

Thanks to a very dedicated group of women on the planning committee, including Kath Craig, Jeanne Rampy, Susan Thomson, Wendy McCarthy, Joanne Milazzo, Pamela Dickinson, Charlene Plaine, MaryAnn Miller, and Debra Thompson, our first-ever Ladies Only Bunco Night was a huge success.
