

Crazy Cards Recap – March 28, 2024

March Madness ? – Well at leaset Crazy Cards were “MAD”

On March 28th approx 80 members assembeld at the S.J Community Center to play a wild card game called Crazy Cards. A game with lots of varying rules many of which are rather silly and just for pure fun. Lots of laughs and commaradire during the games. Snacks were provided and there were prizes at differing levels. The big winners for the night were Jim and Wende Mc Carthy.

This is the third year that SSBC held the event, and as with the two prior years the event was a quick sell out. Many long term members attedned the event as well as a number of new members who had just joined SSBC.
