

Federal Point Cruise Weekend

Recap

April 19 to 21 2024

The cruise included 10 boats and many members attended by car. Dinner on Friday was excellent, and all 42 members and 4 guests attended. Stoked Restaurant did another amazing job with our group. Saturday morning was met with perfect weather, sunny skies, and temps in the low 80" s. The Brunch was attended by a whopping group of 50 and it certainly kept the cooks and kitchen helpers busy. The cooks were Tony Celeste, Jim McCarthy, and Sid Rumpy, and they were managed by the "kitchen help "of Nicole Celeste, Wende McCarthy, Rickelle and Renee Eastman. A big thank you to the others who also helped with setup and cleanup for example the Ryerson's who were at it bright and early that morning doing set up!

Saturday afternoon, saw a few members braving the swimming pool, while others toured Carolina Beach and its many fun little shops, specialty coffee shops, Brits Donuts, and couple of the roof top watering holes. Another group descended upon the famous "*The Fat Pelican*" for some fun conversation, others enjoyed the outside sand patio while engaging in some friendly games of cornhole, more fun conversations and even a few tried their hand at table surfing lol!

The weekend ended on Sunday morning with overcast skies and light rain showers as the boats departed for the trip back to St. James. Overall, you couldn't have asked for better weather and such a fun group of our members enjoying fellowship, many laughs and even a few shenanigans.

Federal Point is a great location, and it is close and easily accessible by car – in fact we had a record number of members join by car, including the Celestes, Minors, Johnsons, Grahams, Dickinsons, Crowders, Pannuccis, Knauers, Vests, Gibbs, MacKinnons, etc.

We also celebrated two birthdays = Walt Faulconer and Kathy Johnson -
HAPPY Birthday !
