

Jimmy Buffett Recap – August 2024

July 18, 2024

Thanks to all who came out for Jimmy Buffett night at Woodlands Pavilion! It was a fun, music filled, unbelievable delicious food, and enjoyed by all!

We had a surprise for all... A Margarita Bar with limes and salt and it flowed right to the end of the event! A big hit for members and guests!

The weather turned out to be perfect although my committee had a bit of a time keeping all the decorations on the tables as we set them up earlier in the day! At one point we were about to give in to the wind, but we persevered. Hope you all enjoyed the table decorations!

We gave out two prizes for “costumes” related to the theme...Beverly Ertleschweiger and Brian Graham who wore parrot hats and assorted theme related items won! Each received a bottle of Tequila and two Margarita glasses!!

Big shout out to Mo's Wood Fire Kitchen for catering the event, and to Double Cherry Pie for their excellent live music!

Thanks to my team,

Pam and Charlie Crowder, Len and Cindy Pannucci, Don and Connie Crowder, Valerie Vest, Ernie and Mary Bendinelli, Diani and Rob Johnson, Wendy and Allan McLeod, Dan and Nancy Barton, Tracy and Vito Vasseville, Marti and Peter Alter, Rose Gibbs, Kathy and Jim Swanson.

The party would not have been so spectacular without their help! Especially the Margarita Bar!
